

Literature in English

SENIOR
2

Literature in English Senior 2 Student's Book is a course that has been developed to comprehensively cover the Senior 2 Literature in English syllabus. It has adopted the learner-centred approach to the learning of literature.

This course incorporates cross-cutting issues through the excerpts given. The authors have adopted a unique, imaginative approach to help the learners easily understand concepts, and to read further.

Adequate, appropriate and learner-friendly exercises and activities have been provided to help the learner to ascertain his or her understanding of learnt concepts thereby enhance the desire to learn more.

This course has been developed to make learning of literature in English a pleasurable and enriching experience.
