FOREWORD

Dear Pupil,

Rwanda Education Board is honored to present to you Social and Religious Studies book for P1. It will serve as a guide to competence-based teaching and learning in primary school to ensure consistency and coherence in the learning of Religious studies subject in Primary school. The Rwandan educational philosophy is to ensure that you achieve full potential at every level of education, which will prepare you to be well integrated in society and exploit employment opportunities.

The government of Rwanda emphasizes the importance of aligning teaching and learning materials with the syllabus to facilitate your learning process. Many factors influence what you learn, how well you learn and the competences you acquire. Those factors include the instructional materials available among others. Special attention was paid to the activities that facilitate the learning process in which you can develop your ideas and make new discoveries during concrete activities carried out individually or with peers.

In competence-based curriculum, the learner considers learning as a process of active building and developing knowledge and meanings where concepts are mainly introduced by an activity, a situation or a scenario that helps the learner to construct knowledge, develop skills and acquire positive attitudes and values. For effective use of this textbook, your role is to:

- Learn new vocabulary as you study the Social and Religious studies content. This will help you to improve and master English Language.
- Work on given activities which lead to the development of skills
- Share relevant information with other learners through presentations, discussions, group work and other active learning techniques such as role play, case studies, investigation and research in the library, from the internet or from your community;
• Participate and take responsibility for your own learning;
• Draw conclusions based on the findings from the learning activities.

Specifically, this book is mainly divided into two parts: Social and religious studies parts. Religious studies is also subdivided into Christian Religious studies and Islamic religious studies. Though both parts are in the same textbook, schools will choose to teach one part of religious studies only. You will be able to develop skills, attitudes and values imbedded in Religious Studies of the chosen part with opportunity of exploring other content presented in the same book.

I wish to sincerely extend my appreciation to the people who contributed towards the translation of this book, particularly REB staff who organized the whole process from its inception.

Dr. NDAYAMBAJE Irenée
Director General, REB
ACKNOWLEDGEMENT

I wish to express my appreciation to all the people who played a major role in development of social and religious studies textbook for P1. It would not have been successful without active participation of different education stakeholders.

My word of gratitude goes to the Rwanda Education Board staff and independent subject experts, designers and illustrators who highly contributed to this book.

Joan MURUNGI,
Head of Curriculum Teaching and Learning Resources Department

Activity 1.1

Go outside and look at what was created and is nearby the school. Mention what you saw that was created by God. Draw two things in your exercise that were created by God.

1.2. Man was created in the image of God (Genesis 1: 26-31)

Look at your neighbor. Why do you think your neighbor is different from other creatures we saw.

What can human being do that other creatures cannot do?

God created man in His own image. Man is different from other creatures. In Genesis 1:26:31, we learn that human being has dominion over other creation, he has wisdom, he is able scrutinize/ examine and in summary he is like God.

I am called Nadine.
I am a human being. God created me in His image
God gave me wisdom, a mouth, eyes and other things
I thank God for creating me in His Image
These are different from other creatures.
With the help of the teacher, recite this prayer: “I thank you God because you created me in your own image.”.

The difference between man and other creatures
A human being was created in the image of God. A human being is different from other creatures. He is a special creature of God.

A preacher teaching the word of God at school, animals cannot preach.

Men are building a house. Animals cannot build houses.
The boy is sweeping, animals cannot sweep.
The girl is reading, other animals cannot read.

The difference between human being and other creatures
As it is seen in the pictures above, a human being can think, can pray, can sing, can read the Bible, because he has breath of God. Other creatures cannot manage to do them.

Activity 1.2
Discuss activities you can do in order to protect the environment

1.3. The instructions God gave man in the Garden of Eden

Teacher Mukantagara teaches P1. She gives her learners/pupils instructions every day. The learners respect/follow them.

Do you remember what we learnt that is about the creation of mankind?

In book of Genesis 2: 15-17, we saw that God commanded Adam and Eve to take care of the garden.
It is good to respect the commandments of God, and it is also good to respect our parents and teachers.

**How can God’s creation be taken care and protected?**

*The veterinary doctor is treating a sick animal*

*People are taking care of cows*

1.4. **The origin of Sin and its consequences**

*(Genesis 3:1: 13)*

In the story of Mukantagara, what do you think would happen if the learners were not to follow or respect her instructions?

- She could be angry, and punish them.
Have you ever given a false testimony against someone? How did he/she handle it? Do not repeat it because it is not good.

**Activity 1.3**

How were Adam and Eve given the commandments/instructions of God in the Garden of Eden?

**1.5. Consequences of sin**

Kalisa and Umutesi are relatives. They always disrespect/disobey their parents and annoy them and after they punish them. Do you think there is any other reason that causes their parents to punish them?

When we do not respect the instructions given to us, we are punished according to the laws.

Also, after Adam and Eve had disrespected/disobeyed God, He got annoyed with them and punished them.

The following are the consequences Adam and Eve got for disobeying God:

i) God cursed the snake.

ii) Eva and her offspring will have pain while giving birth.

iii) Adam will have to work hard all his life to get what to eat (he will eat from his sweat).

iv) God chased them out of the garden of Eden.

v) Death came on earth.
After Adam and Eve had eaten the forbidden in the Garden of Eden.

The punishment of Adam and Eve are still following humankind up to this time. Sin spread in the whole world. There is jealousy; there is hatred because people kill each other, wars and epidemic diseases.

**Genocide against Tutsi in 1994 in Rwanda**

In Rwanda, sin led people to commit genocide against Tutsi in 1994. However, it was possible to hate sin and love each other. Now Rwanda has peace and people live in harmony and unity. This was a result of unity and reconciliation.

**Activity 1.4**

Play a game showing the consequences of the sin of Adam and Eve.

Prayer and how to conduct yourself during prayers (Isaiah 30:18-19)

Prayer is communicating to God. Children ask whatever they want from their parents and their guardian. What have you ever asked from your parents? Did they give you what you asked them? Parents help their children by giving them good things they ask from them.

Look at the following picture.

A family is praying together

2.1. The way we should behavior during prayers/ when praying (Luke 18:10-14, John 15:7)

**Activity 2.1**

What do we do when people are praying at home, at school and in church?

*A person praying while kneeling*
2.1.1. The parable of the Pharisee and tax collector (Luke 18: 10-14)

The Bible teaches us about prayers where we are to humble ourselves before God (Luke 18: 10-14).

Whenever we pray we are supposed to honor God, why should we honor God?

• The Pharisee and the tax collector prayed to God, after God answered the tax collector because he prayed with humility.

Have you ever prayed for something and later you received it? Share with your neighbor something that you prayed for and after God answered you.
Activity 2.2
What do we do when people are praying at home, at school and in church?

2.2. Basic prayers
a) The Lord’s Prayer / Our father in heaven

Jesus is the son of God. He had a group of 12 people that followed him, who were called the Apostles. Jesus taught his them the Lord’s Prayer.

Our Lord’s Prayer

Our father in Heaven
Hallowed be your name
Your kingdom come
Your will be done
On earth as it is in heaven
Give us today our daily bread
Forgive us our sins as we also,

Forgive those who sin against us
And lead us not into temptation.
But deliver us from the evil one.
For kingdom, the power and the glory
Are yours now and forever more

Amen!
Jesus taught his disciples how to pray the Lord’s Prayer

In the book of Luke 22: 38-44, the Bible teaches us that Jesus went to the Mount of Olives with his apostles to pray.

Why do Christians say the Lord's Prayer (Psalm 95:1-7, Isaiah 6:5, Psalm 118:1, Phillipians 4:6-7)?

Christians pray the Lord’s Prayer focusing on the following:

- Thanking God and asking Him for blessings, praising, asking for forgiveness and for protection.
1. Discuss in groups the reasons why Christians recite the Lord’s Prayer
2. Recite the Lord’s Prayer together.

b) The prayer before sleeping (Psalms 1:2)
Do you go to pray before sleeping? We are supposed to pray to God at night before sleeping. We ask God to protect us in the night while we are sleeping. How do you pray before you go to sleep? And do you always pray to thank God when you wake up?
In Psalms 1:2, the Bible teaches us, a good person is well pleased with the commandments of God. And he follows/obeys them during day and night.

A child praying before sleeping

An example of a prayer of a child before he/she sleeps

My God, I come before you this night.
I thank you for protecting me today.
I am going to sleep now, protect me.
Enable me to sleep well.
I know I feel fine and peaceful whenever you protect me.
Bless my friends and protect them too.
Protect our country of Rwanda and bless it.
I have prayed this believing in your Holy name.
Amen!

1. In groups, discuss how you pray at home whenever you are going to sleep.
2. Say a prayer individually that is made before going to sleep.

We should always pray to God before eating. We pray to God thanking Him for giving us what to eat and we ask Him to bless the food. The food that is blessed by God nourishes our bodies.

![A family praying before eating](image)

**Say this prayer before you eat**

Our God, we thank you for the food you have given us.  
We are grateful.  
We thank you for the people that have prepared it.  
Even those that were not able to get it give them what to eat and bless them.  
We pray in the Holy name of Jesus.  
Amen

We should be like Jesus and pray before eating.
1. Share how you pray before eating while at home.
2. Who prays for the food at home before eating?
3. Who taught you how to pray for food?
4. Who is supposed to pray for the food before eating? Why does he/she do it?

**d) The prayer for thanksgiving (1 Thessalonians 5:18, Exodus 15:21, Psalm 118:1)**

A prayer of thanksgiving is a prayer we offer to God by thanking Him for all the good things he has done in our lives.

We can repent in the prayer of thanksgiving to God:

(i) When the wedding is successful.

*The couples pray thanking God during wedding sessions*
(ii) After getting a great harvest.

A family is thanking God because of the great harvest they got.

(iii) The time when someone gets healed from sickness.

A woman thanking God because she was healed from Malaria.

Say the following prayer in your heart silently:

**An example of the prayer of thanksgiving to God**

Our everlasting father, I thank you because of your blessings.
I thank you for the knowledge you have given me.
I thank you because you guide my life.
I thank you for enabling me to pass my exams.
Your name be praised now and forever more.
Amen!

Exodus 15:21. Miriam the prophetess, Aaron’s sister, led the Israelites to thank God. She did it after crossing the Red Sea because God had protected them from the Egyptians.
The Israelites are praising and thanking God after crossing the Red sea

Activity 2.3

e) A prayer for praying for others (Romans 8: 26-27, 34:, Colossians 4: 2-3, Romans 15: 30)

A prayer for others is when you pray specifically for them. Do you always remember to pray for others?

Examples of people that need to be prayed for:

i) Sick people / the sick
ii) The orphans
iii) The widows
iv) The poor people
v) The refugees
vi) The elderly
vii) The street children
The old people/ elderly need our prayers

A pastor is praying for the sick
Say this prayer with a peaceful heart:

An example of a prayer to pray for others

Our God the creator of heaven and earth
I pray for my friend that is sick
Heal her/him and give her strength
Lay your healing hands upon her,
I have prayed believing in the name of Jesus Christ
Amen!

In groups do practice of a prayer of praying for others.

(f) A prayer before work (Philippians 4:13, Luke 1:37)
People work in different places, they work in different ways. It is God that gives us strength to work.

The reasons we pray before working

We need to dedicate our daily different activities to God, because there is nothing difficult for Him.

All workers need to pray before working; God protects us whenever we pray.
An example of a prayer made before working
Say the following prayer in your heart.

Our father in heaven we thank you for protecting us this night
And for we have managed to wake up in peace this day, help us and
give us strength and we work well today.
Protect us from all kinds of evil at work
Guide us in everything
We have prayed believing in the name of Jesus Christ.
Amen!

It is important for people to pray before starting to work.

Look at the following pictures.
What are people and say what they are doing?

It is good for a farmer to pray before starting to dig
It is good to pray before starting to drive on a journey.

It is good for a doctor to pray before treating the sick people.

Before the teacher begins teaching, it is good he prays first.
It is good to pray before you begin your work for security services

1. Form groups and discuss the reasons why it is good to pray before beginning work.
2. With the use of examples, say the prayer recited before work.

The time of praying and its appropriate prayers. (Ephesians 6:18, 1 Thessalonians 5:17, Luke 18:1-5, 1 Timothy 2:8).

When do you pray?

**We are supposed to pray every time.**

In 1 Timothy 2:8 the Bible teaches us to pray without anger or quarreling. Read the parables below. Do you remember what we said about the parables? In what we saw before, we learnt that parables are the stories Jesus used while He was teaching His disciples.

**g) The parable of widow and the Judge (Luke 18:1-5)**

There was a widow, her enemies wanted to take her possessions and she told the Judge. The judge did not listen to her, that widow did not give up on asking the judge. The judge made a decision to help her. Every time we pray without stopping our prayers are answered.

Heroes are people honored because of their actions that are outstanding.

Being humble means doing what you were told to do. The Bible has stories that talk about many people that humbled themselves before God.

They served God until they died because of Him.

3.1.1. Obeying God by Abel the righteous (Genesis 4:1-16)

Habimana and Kaliza are friends. They help their parents with work at home. They are humble children. Why do Habimana and Kaliza become humble? Being humble is doing what you are told to do and you do them well.

Habimana and Kaliza are cleaning the compound at home
3.1.2. Do you remember the story of Cain and Abel?

It is found in the book of Genesis 4:1-16. Cain and Abel were sons of Adam and Eve. Cain was a farmer and he planted crops to eat. What are some of the crops that farmers plant that are eaten? Cain offered a sacrifice with a bad heart and God refused it. Abel was a shepherd; a shepherd is someone that looks after animals. Abel was looking after sheep and goats.

Abel humbled himself, he got the first-born of the lamb, slaughtered it after he offered it to God. God was pleased with his offering.

What reason do you think made God refuse the offering of Cain?

God punished Cain because of not honoring Him.

What will happen to people who are disobedient/ do not honor God?

1. They will be punished.
2. God will be angry with them.
3. They will feel pain.
4. They will face hardships.
Abel offered a lamb to God

Cain killed Abel because of jealousy

The lessons we learn from the story of Abel

i) God rewards those who obey and believe Him

**There are 5 prayers which every Muslim should make every day.**

Those prayers are known as prayers of *Faradh*. Every prayer has its specific sections which are called *Rakaat*. The shortest among others is called *Subh* and it has only two *Rakaat*.

The longest prayer in *Faradh* has 4 *Rakaat*. There are 3 prayers that have 4 Rakaats which are: *Dhuhr*, *Asr* and *Isha*.

The following table shows the prayers for *Faradh*, the time it takes and

Ask your friend if she has ever done prayers for Sunnat. The word Sunnat means that it not compulsory / it is optional. It means you can make those prayers or even leave them. (a) Takbiratul Ihram

Say Allah Akbar (God is great). After saying Takbiratul Ihram, a person responds that Surat Al-Fatiha and also another Surat. Surat Fatiha is a strong pillar for Swalat which means that it must be said whether you like it or not.

(b) Ruku

These are concerned with bending; when you bend you say that:
‘Subhana Rabiyl Azhwim’ three times. And they mean that “let the great God be exalted.”

(c) It’dal
This is the part of bending of rukuu and raising up. A person says that “Samia llahu liman hamidah” which means that “God listens to a person that praises Him.”

(d) Sujud
These are concerned with kneeling where you put the forehead down. Here a person says that “Subhana Rabiyl A’alaa” which means that “all praises are for God who is in heaven above.”
A person repeats this the second time and after sits *rakaat*.

**Atahiyyatu**
This is the part where you sit in the middle of both rakaats.

(f) **Taslim**
This one also known as Salaam which means asalaam aleykum and after you turn the eyes to the right and later to the left. Taslim means the end of the prayers.
1. In the groups do a role play on Salat.
