Due to ongoing global issue of covid-19 pandemic that has affected all sectors and resulted into closing schools to avoid the spread of the coronavirus. REB has established an online learning platform to help students continue with their studies. While at home students keep learning and supported by their teachers and parents using the REB eLearning platform https://elearning.reb.rw.

Getting into REB eLearning platform is made easy. Follow below user guide/steps for self-registration to access different learning and teaching resources online.

The platform is accessible on Laptops, desktops, tablets, and smartphone. Two options are available, website and mobile application.

**Note:** If you do not register you can still access the content, however, you cannot interact with teacher/tutor neither do activities/assessments.
