

Unit 1.3. Assignments

Classroom practice: create a vision for your classroom

For this portfolio assignment, you will create your vision for a positive classroom community.

Think about your classroom and the feeling of community you have created or want to create with your learners.

Step 1: write down five words to describe how you want boys and girls in your class to feel as a learner in your class

Step 2: write down three things you can do in your class to build that community

Step 3: take action on one of those things
